

## Long Term Disability Insurance

can replace part of your income if a disability keeps you out of work for a long period of time.

### How does it work?

This coverage can pay a monthly benefit if you have a covered illness or injury and you can't work for a few months — or even longer.

You're generally considered disabled if you're unable to do important parts of your job — and your income suffers as a result.

### Why is this coverage so valuable?

You can use the money however you choose. It can help you pay for your rent or mortgage, groceries, out-of-pocket medical expenses and more.

### What's covered?

This insurance may cover a variety of conditions and injuries. Here are Unum's top reasons for long term disability claims:<sup>1</sup>

- Cancer
- Back disorders
- Injuries
- Cardiovascular
- Joint disorders

This plan does not cover pre-existing conditions. See the disclosure section to learn more.

### What else is included?

#### Work-life balance EAP

Get access to professional help for a range of personal and work-related issues, including counselor referrals, financial planning and legal support.

#### Worldwide emergency travel assistance

One phone call gets you and your family immediate help anywhere in the world, as long as you're traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

#### Survivor benefit

If you die while you've been disabled and receiving benefits for at least 180 days, your family could get a benefit equal to 3 months of your gross disability payment.

#### Waiver of premium

If you're disabled and receiving benefit payments, Unum waives your cost until you return to work.

## Exclusions and limitations

### Active employee

You are considered in active employment, if on the day you apply for coverage, you are being paid regularly by Donjon Marine Company, Inc. for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

### Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

### Benefit duration (BD)

The duration of your benefit payments is based on your age when your disability occurs. Your Long Term Disability benefits are payable while you continue to meet the definition of disability. Please refer to your plan document for the duration of benefits under this policy.

### Definition of disability

You are considered disabled when Unum determines that:

- You are limited from performing the material and substantial duties of your regular occupation due to sickness or injury; and
- You have a 20% or more loss of indexed monthly earnings due to the same sickness or injury

After 24 months, you are considered disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

“Substantial and material acts” means the important tasks, functions and operations that are generally required by employers from those engaged in your usual occupation and that cannot be reasonably omitted or modified.

Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

### Recovery Income Benefit

Unum will send you the monthly payment if you have been disabled and you satisfy each of the following:

- You have satisfied the elimination period for that disability;
- You return to your regular occupation full time with the Employer on the earlier of the date your disability ends or the date your benefits cease;
- you have a 20% or more loss in your indexed monthly earnings due to the same disability; and
- You have received at 3 months of disability payments for that disability under the plan.

Recovery income protection benefit payments will end on the earliest of the following:

- The date months recovery income protection benefits have been paid; or
- The date your current earnings exceed 80% of your indexed monthly earnings.

### Pre-existing conditions

You have a pre-existing condition if:

- You received medical treatment, consultation, care or services including diagnostic measures for the condition, or took prescribed drugs or medicines for it in the 12
- The disability begins in the first 24 months after your effective date of coverage, unless you have been treatment-free from the pre-existing condition for 12 consecutive months after your effective date.

### Deductible sources of income

Your disability benefit may be reduced by deductible sources of income and any earnings you have while you are disabled, including such items as group disability benefits or other amounts you receive or are entitled to receive:

- Workers' compensation or similar occupational benefit laws, including a temporary disability benefit under a workers' compensation law
- State compulsory benefit laws
- Other group insurance plans
- A group plan sponsored by your employer
- Governmental retirement system
- Salary continuation or sick leave plans, if applicable
- Retirement payments
- Social Security or similar governmental programs

### Exclusions and limitations

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- Intentionally self-inflicted injuries;
- Active participation in a riot;
- Loss of a professional license, occupational license or certification;
- Participation in a felony or which you have been convicted; or

- Pre-existing conditions (See the disclosure section to learn more).
- Your plan will not cover a disability due to war, declared, or undeclared, or any act of war.
- Unum will not pay a benefit for any period of disability during which you are incarcerated.

### Termination of coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan.
