What is whole life insurance?

Whole life insurance is more than just life insurance at an affordable price. It combines the guaranteed premiums, coverage, and values that have always been so attractive in whole life insurance with the advantages of cash accumulation at current interest rates.

With whole life coverage you choose the amount of insurance or the amount of premium that best suits your needs and budget.

Our Whole Life workplace insurance is an endowment at age 95 life insurance policy, which means the face value would be paid to the insured, if living, at age 95.

With Boston Mutual's Whole Life coverage...

- ✓ **Family coverage available.** You don't have to apply in order to cover your spouse, children, and grandchildren.
- ✓ **Guaranteed premium.** As long as you pay your premiums, the cost of your life insurance policy can never go up.
- ✓ **Guaranteed cash value.** The cash value illustrated at the time of purchase, when you reach age 65, is guaranteed as long as your coverage stays in force.*
- ✓ **Guaranteed portability.** Even if your employment changes, you can keep this coverage and pay us directly for the premiums.
- ✓ **Guaranteed additional purchase.** If you buy a minimum amount of coverage, you guarantee yourself the right to purchase any remaining portion of the guarantee issue limit at future approved enrollments (subject to product and payroll deduction availability).

There are 106 million Americans, representing 41 percent of the adult population, who acknowledge they are living with a life insurance coverage gap.
